

DAUPHIN DOG TRAINING CLUB PRESENTS:

Deb Goodhart offering

SKILL OF THE MONTH SEMINARS

Three sessions each day

9:30-12:30 1:30-4:30 6:00-9:00

Seminar 1- Front Crosses January 26: Geared to handlers who want to improve their understanding of the Front Cross. Using ground work and short but challenging sequences, we will breakdown the entire C skill set. Included will be analysis of the handler position and handling cues. Also emphasized will be the understanding the dog's line of motion and begin able to apply that knowledge during cueing and handling. Handlers who have a least a one jump lead our and can move to get into position will reap the most benefit from this seminar.

Seminar 2 – Rear Crosses and Whiskey Turns February 16: Rear crosses are used to set a nice turn when the handler is behind the dog. They can be useful for handlers with limited mobility issues. Included will be a detailed analysis of the handler position, the elements of cueing as well as an examination of the dog's expected line.

Seminar 3 – Backsides and Blind Crosses March 9: Geared to the handlers who want ot improve their understanding of the Blind crosses and Backside sends. Handlers with mobility issues may find blind crosses more comfortable in some situations to replace front crosses. Backsides are becoming more common and thus not considered an international or advanced skill. Using ground work and short but challenging sequences, we will break down both skill sets. Included will be a detailed analysis of the handlers position, the elements of cueing as well as an examination of the dog's expected line of motion.

Only 8 working slots and unlimited auditors. Cost is \$60 members; \$75 non-members for working slots and \$25 member auditors / \$35 non-member auditors.

These seminars will be held at our training facility located at 719 Manada Bottom Road in East Hanover Twp., Harrisburg, Pennsylvania. It is 70' x 120', fully matted with comfort mats, heated, air-conditioned, handicapped accessible, and situated on five fenced acres. There is plenty of parking and exercise space for dogs.
